The Centre provides a high quality teaching and extra-curricular activities to students in a professional way. Our style of teaching use the Arabic literature, culture, history, media and common daily materials.

The Language Centre offers two types of courses:

- Regular Courses
- Tailored Courses

1. Regular Program

The Arabic program is designed to deliver Arabic language training to all non-native speakers from around the world. The Centre offers three levels of intensive Arabic through out the year. Every semester is consisted of 14 to 16 weeks of study.

2. Tailored Program

The Language Centre also offers tailored courses with private instruction (one-to-one) or small group upon request. These options are also offered to students who wish to take extra hours of Arabic or to those who want to study Arabic for specific purposes for shorter period
